

Bridal Makeup Service 2009

Thank you for your enquiry for Bridal Makeup. We are pleased to enclose details of our Bridal Makeup Service for the 2009 Season. If you would like to discuss any aspect of our service, or have any additional questions, please don't hesitate to contact us.

Bridal Rehearsal - £90.00

We always arrange a rehearsal with our Brides to Be. This is a face to face session where I ask you lots of questions about your plans for the special day. We will look at the style/colour of your dress, the flower themes, your chosen hairstyle, the Bridesmaids dresses and the overall style of your wedding. It really helps me to design your perfect look if you can have pictures and colour swatches of fabric and also start collecting magazines with makeup looks that you particularly like. The session lasts approx 2-3hrs and includes before and after pictures, face charts, a product breakdown as well as your chosen lip colour product for your touch up kit – all of which are forwarded to you after the session. Rehearsals usually take place at our Studio, but we are more than happy to meet with you at your home or location if this is more convenient.

Wedding Day Application – Bride - £100.00

On your Wedding Day I will meet you at your chosen location/venue in plenty of time to apply your individual makeup design before you leave for the ceremony.

Wedding Day Application – Bridesmaids & Mother of the Bride – £35.00pp

Bridesmaids and Mother of the Bride don't usually have a rehearsal and we can discuss your ideas for their look when I see you for your rehearsal. They are more than welcome to accompany you to your rehearsal! Including them in your Wedding Makeup Service is a lovely way of thanking them for all the support they have given you during the planning of your Wedding.
